Dear Swim Coach,

The YMCA of Vineland is proud to host the 2008 Winter Individual Championships, to be held at the YMCA of Vineland, featuring a 6 lane pool. Again this year, our team would like to offer a terrific fundraising/advertising opportunity for each team to be a part of the Championship Program Book. For all ads your team sells, we will return 50% of your total sales! Details and advertising form (to be duplicated and given out to all of your swimmers) will follow at a later date.

This year our meet will be professionally managed by BeSmartt Inc. They will be handling all of the entries and computer management of the meet. All entries are to be submitted to BeSmartt Inc. with details further in this meet announcement. To defray the pool cost, clean-up, maintenance cost, support staff, and other facility expenses, \$2.00 of each \$3.00 entry fee will be used toward the payment.

Team assignments will follow shortly. If you can not fulfill your assignments, it will be your responsibility to communicate with the other teams and either switch assignments or find a replacement. In order for our meet to operate in the highest integrity, it is requested that stroke and turn officials from each team be experienced.

There will be staging of swimmers for all sessions. Also note that Session 1 will not offer any open events. Swimmers from Session 1 wishing to swim an open event may swim the Session 2 open event. Please remind your swimmers that they must have shoes/sandals on their feet when they leave the pool deck to go out into the hallway; this will be strictly enforced by the door marshals. Please do not have swimmers arrive earlier than needed. The meet will follow YMCA swimming rules and will be a USA Swimming approved meet.
